Consumer Driven Health Plan (CDHP) Benefits

This is a high-deductible health plan as defined by the IRS. Consumer Driven Health Plan (CDHP) members may choose any physician or hospital for medical services; however, members receive enhanced benefits, resulting in lower out-of-pocket costs, when receiving services from a CDHP in-network provider. CDHP has a nationwide network of providers through Aetna PPO. CDHP is available for active employees only, under the State Employees' Group Insurance Program. This plan is not available to retirees. Benefits are outlined in the plan's Summary Plan Document (SPD). It is the member's responsibility to know and follow the specific requirements of the CDHP. For a copy of the SPD, contact the plan administrator (see page 11).
